Table of Contents

CHAPTER 1 GETTING STARTED WITH INVENTORY MANAGEMENT 9

Introduction 9
Intended Audience 9
Limitations of this Book 10
Prerequisites 10
What is Inventory Management? 10
Perpetual versus Periodic 10
Should You Practice Inventory Control? 10
Disadvantages of Not Tracking Inventory 11
Buying Things That You Don't Need 11
Inaccurate Reports 11
Fewer Billable Hours 11
The Benefits of Inventory Control 11
Levels of Inventory Control 12

CHAPTER 2 ACCOUNTING BASICS 13

Financial Statements 13
The Balance Sheet 13
The Income Statement 14
Credits and Debits 15
Debits and Credits Cheat Sheet 16
Chart of Accounts 17
Chart of Account Types 17
Example Chart of Accounts File 18
How Inventory Affects Financial Reports 19
Let's First Define Inventory 19
Inventory versus Non-Inventory Parts 19
Invoice Item Types 19
Unit of Measure (UOM) 20
Inventory Valuation Methods 20
Perpetual Average Cost 21
Specific Identification Method (AKA: Exact Cost) 21
How Items Flow through the System 22
Inventory Accounting Graphic 23
Income Tax Implications for Adding Inventory 23
Initial Item Count Adjustments 23
Cash or Accrual Accounting Methods 24
Tax Returns versus Management Reports 24
Cash or Accrual FAQ 25
Consult With Your Accountant 25

CHAPTER 3 INVENTORY REPORTS AND KPIS TO KNOW 27

Common Inventory Reports 27

Decide on Which Invoice Item Types *57*
Convert Non-Inventory Parts to Inventory Parts (optional) *57*
Setup for Core Charges and Returns (optional) *57*
Enter Item Categories (optional) *58*
Enter a List of Equipment Types (optional) *58*
Enter a List of Manufacturers (optional) *58*
Select Preferred Vendors on Items (optional) *58*
Define Units of Measure (optional) *58*
Set Item Reorder Points (optional) *58*
Create Your Own Part Numbers (optional) *59*
Enter Item Number Aliases (optional) *59*
Create Retail Price Multipliers (optional) *59*
Enter Your Flat Rate Tasks (optional) *59*
Define Warehouses (optional) *59*
Assign Warehouses to Employees (optional) *59*
Customize Your Purchase Order (optional) *59*
Enter Your Vendor's Shipping Methods *59*
Import Your Inventory Items (optional) *59*
Perform an Inventory Count and Adjustment *60*
Your Vendor Can Help *60*
Create a Process and Procedures Manual (optional) *60*
Inventory Tips and Suggestions *61*

CHAPTER 6 MAKE SEARCHING FOR ITEMS FAST AND EASY 63

ITEM CATEGORIES 63
Example Item Categories *63*
ITEM DESCRIPTIONS AND ITEM NUMBERS THAT WORK FOR YOU 63
EFFECTIVE ITEM DESCRIPTIONS 63
Example Item Descriptions *64*
Simple and Fast Search *64*
DESCRIPTIVE ITEM NUMBERS 64
Item Numbers versus Part Numbers *65*
Item Number Nomenclature *65*
What is an Item Number System? *65*
Item Number Schemes *65*
Deciding on an Item Number *65*
Item Number Sections *67*
Printing Item Numbers *67*
OEM Item Numbers *67*
Item Number Acronyms *68*
Item Number Exercise *69*
Using Dashes in Item Number *69*
SIMPLE NOMENCLATURE OPTION 70
FLAT RATE TASK NUMBERS 70
TIPS FOR CREATING ITEM AND TASK NUMBERS 71

Available from Aptora.com

CHAPTER 7 INVENTORY ITEM NUMBER ALIASES 73

Quick Explanation of the Item Alias Feature 73
Increased Search Efficiency 73
A Practical Use Case 73
What to do in Total Office Manager 74
When an Alias is Not Needed 74
Step-by-Step Setup 75

CHAPTER 8 IMPLEMENTING A PURCHASE ORDER SYSTEM 77

Introduction 77
Definition 77
Why Use Purchase Orders 77
PO Procedures 78
The Purchase Order Form 79
Field Definitions 79
Completing the Purchase Order 81
Filing the Purchase Order 81
Receiving Items 81
Entering the Bill 81
Paying the Bill 81
Invoicing 81
Customizing the Purchase Order Form 82
Printing the Purchase Order Form 82
Final Tips 82

CHAPTER 9 DAILY INVENTORY POLICY AND PROCEDURES 83

Inventory Tracking in the Field 83
When Technicians Must Order Parts 84
Inventory Tracking in the Office 85
Inventory Replenishment 85
Ordering and Receiving Inventory for Jobs 86
Pull Inventory from Stock 86
Ordering Inventory 87

Build Your Tasks on the Fly *106*
Hybrid Approach *106*
Discounts *106*
Task Descriptions *106*

CHAPTER 13 UNDERSTANDING BARCODES 109

A Little History 109
What is a Barcode 109
Some Technical Details 109
Barcode Types 110
Code 39 ..... *110*
Code 128 ..... *110*
Interleaved 2 of 5 Barcode *110*
Universal Product Codes (UPC) *110*
Data Matrix *111*
QR Quick Response (QR) Codes *111*
Other Barcodes *111*
How to Obtain a Barcode 111
Installing Barcode Fonts 111
Creating Barcodes 112
Use Exiting Barcodes When Possible *112*
Printing Labels *112*
Why Use Barcodes 112
Hardware Requirements and Options 112
Wand Scanner *112*
Laser Scanner *113*
Usage *113*
How can I keep track of tools with barcodes? 113
What are some other creative ways to use barcodes? 114
Where can we purchase barcode equipment? 114
Other Tips 114

CHAPTER 14 USING BARCODES IN TOTAL OFFICE MANAGER® 115

Special Note 115
Introduction 115
You Must Track Inventory 115
Creating Barcodes 116
Scanning Barcodes into Total Office Manager 117
Inventory Restocking with Labels 118

CHAPTER 15 CREATING AN INVENTORY STOCKING LIST 119

Spreadsheet Header Definitions 119
